## INTRODUCTION

E-commerce is powered by the internet, where customers can access an online store to browse through, and place orders for products or services via their own devices.

SHOPPING ADDA is created by NIKKITA & SAYALI. This site created for multiple purpose.

**SHOPPING ADDA** is a E-commerce (electronic commerce) Company is the buying and selling of goods and services, or the transmitting of funds or data, over an electronic network, primarily the internet. These business transactions occur either as business-to-business ([B2B](#)), business-to-consumer ([B2C](#)). The terms e-commerce and e-business are often used interchangeably. The term e-tail is also sometimes used in reference to the [transactional processes](#) that make up online retail shopping.

In the last decade, widespread use of e-commerce platforms such as Amazon and eBay has contributed to substantial growth in online retail. In 2007, e-commerce accounted for 5.1% of total retail sales; in 2019, e-commerce made up 16.0%.

Our Site is made for best deals for customer. And that's gives total satisfaction to customer, SHOPPING ADDA is best platform to customer ,they can easily ind whats they want. And best thing is our site provides best prices to customer in their budget. Our Agenda is CUSTOMER SATISFACTION IS OUR SATISFACTION.
